All staff are in the process of working their way through the Camau entry courses with a couple successfully moved on to the sylfaen course.

The Welsh language is seen and heard in all areas of the setting and they have all worked extremely hard implementing training into practise and there's a real sense of Cynefin here.

“Hi my name is Jenna Jones and I work at Cylch Chwarae Llanfairfechan Playgroup. I can understand most Welsh but have not felt very confident when speaking Welsh.

I have been completing the Camau entry courses on my mobile phone which is really easy to access and very easy to understand. If at any point I have needed any support I have contacted Siobhan Chambers and she has been very helpful.

I find that the Camau course has helped me to be more confident in trying to communicate in Welsh and to read more Welsh stories to the children.

I find that since doing the Camau course i am using Welsh much more now in my work setting and I’m also encouraging the children to speak more Welsh and to enjoy the Welsh Language”.

“Helo fy enw i yw Jenna Jones a dwi’n gweithio yng Cylch Chwarae Llanfairfechan. Dwi’n gallu deall y rhan fwyaf o Gymraeg ond ddim wedi teimlo’n hyderus iawn wrth siarad Cymraeg.

Rwyf wedi bod yn cwblhau cyrsiau mynediad Camau ar fy ffôn symudol sy’n hawdd iawn ei gyrchu ac yn hawdd iawn ei ddeall. Os ydw i wedi bod angen unrhyw gymorth ar unrhyw adeg, rydw i wedi cysylltu â Siobhan Chambers ac mae hi wedi bod o gymorth mawr.

Rwy’n gweld bod cwrs Camau wedi fy helpu i fod yn fwy hyderus wrth geisio cyfathrebu yn Gymraeg a darllen mwy o straeon Cymraeg i’r plant.

Dwi’n gweld fy mod i’n defnyddio’r Gymraeg yn llawer mwy nawr yn fy lleoliad gwaith ac rydw i hefyd yn annog y plant i siarad mwy o Gymraeg ac i fwynhau’r Gymraeg”.
