

# Lisa - Cylch Meithrin Llangynnwr

Lisa recently decided to take the Camau Foundation level course so that she could refresh her Welsh language skills.

## Why?

Lisa wanted to follow the course as she needs to speak Welsh for her job as a childcare practitioner at Cylch Meithrin Llangynnwr.

According to Lisa, one of the main advantages of following the online course was the fact that she has grown in confidence while using the skills learnt on the Foundation course.

## Result!

"Completing the online course was easy." Lisa didn't encounter any challenges. She noted that the Lead Camau Officer always offered support, and Lisa found the support available over email helpful.
